Ben,

Attached is the list for the "first wave" of solicitation letters. This list is composed of individuals and entities that have been solicited in the past. Some contributed prior to 2017. Some have never contributed but have been solicited.

Several points:

- We got a check from Edward Dobbs today, but it is for his pledge to the MPD effort. He has not contributed to the general operating fund of the Crime Commission.

- Even though they haven't contributed since 2016, I left of the list Methodist and Commercial Advisors/Cushman Wakefield. Johnny Moore is suppose to be pursuing Methodist, and I believe you have been reaching out to Larry Jensen. *yes*

send - Brad Martin is on the list. You may prefer to handle differently than sending this letter. Your call.

Note that, on the list, I have written in first name call-byes for those I feel I know on a first name basis. I NEED YOU TO DO THE SAME. Simple print out the list, write down any first name call byes by the addresses, and have Julie email it back to us.

The "second wave" will be composed of businesses that have never been solicited and that the two of us have identified through the Business Journal Book of Lists. That's next week's project.
